A NIGHT FOR TOMORROW

THE JEFFERSON VALLEY GALA

Please join us for a night of giving for our community.

The Jefferson Valley Community Foundation is excited to announce *A Night for Tomorrow: The Jefferson Valley Gala*, and we are inviting community members, families, and local businesses to consider joining us as sponsors, donor or both.

This dinner and auction is our annual fundraiser and supports the growth of our community endowment and scholarship fund—resources that allow us to continue supporting local nonprofits and invest in the future of Jefferson Valley. Proceeds and other donation from the JVCF Endowment Fund have resulted in over \$275,000 in grants awarded to over 65 local nonprofit organizations in our community.

To keep our event community-focused, sponsorships begin with a \$500 Community Builder Sponsorship, which includes dinner for eight guests. Additional sponsorship levels are available for those interested in providing additional support and advertising for their organization.

Your sponsorship helps ensure that we can respond to local needs, support organizations doing important work in our valley, and build long-term resources that benefit Jefferson Valley for generations to come.

This is an opportunity to show support for the broader community effort that benefits nonprofits and residents throughout Jefferson Valley.

Auction Donation

As we prepare for A Night for Tomorrow: The Jefferson Valley Gala, we invite you to consider donating an auction item or experience that reflects your mission and helps share your business with the broader Jefferson Valley community.

This is a meaningful opportunity to showcase your business and increase community visibility. Auction items and experiences allow attendees to connect more deeply with business.

If you are interested, auction donations may include a mission-based experience, a behind-the-scenes opportunity, a class or activity, or a general item that fits comfortably within your capacity. We are happy to help talk through ideas if that is helpful.

Thank you for considering support of our community.
